

Test Engineer – BMM North America

BMM Compliance

BMM Compliance is the longest established and most experienced private independent gaming certification lab in the world. BMM offers product compliance insight and engineering expertise for gaming regulators, manufacturers and operators. BMM's world headquarters are in Las Vegas, with offices in Mexico City, Lima, Melbourne and Sydney, Singapore, Macau, Busan, Barcelona, Graz, Rome and Midrand.

BMM is seeking qualified and talented individuals to join its Service Delivery team in Las Vegas.

Position:

Under the direct supervision of a Service Delivery Group Manager, a Test Engineer (entry level) is responsible for the testing and adherence of gaming technology to jurisdictional regulations and technical standards. The position may also involve field services work, including gaming device and gaming system inspections as well as general field support.

Description:

Working as a member of a team the test engineer will:

- Assess gaming technology integrity, accountability and functionality
- Perform statistical analysis of gaming device and game probabilities
- Review gaming device and system source code
- Assist with the development of testing procedures

Minimum Qualifications:

- Graduate from an accredited college or university with a Bachelor's degree in electrical engineering, computer engineering, computer science or math
- Ability to program in at least one high level language such as C++, C#, or Java
- Experience with Windows, Unix, and Linux operating systems

Preferred Qualifications:

- Experience with the development or testing of gaming technology software or hardware
- Experience with the development or testing of gaming technology communication protocols such as SAS, G2S, and S2S

The position requires successful completion of a background investigation. Travel may be required.

Benefits

- Competitive salary based on experience
- Extensive on-the-job training
- Company health, dental, vision plan
- 401K program
- Staff recognition program including monthly staff awards and events
- Global travel program enables staff to experience our offices around the world

BMM is an equal opportunity employer.
